Darkhorse Lightworks Certified By the Women’s Business Enterprise National Council

[Los Angeles, California]—July 24, 2017—Darkhorse Lightworks, an architectural lighting design firm, is proud to announce national certification as a Women’s Business Enterprise by the Women’s Business Enterprise Council -West, a regional certifying partner of the Women’s Business Enterprise National Council (WBENC).

Dawn Hollingsworth, Principal of Darkhorse Lightworks, stated “this recognition is important for our clients and vendors to know we are part of a larger network of businesses with a diversified work environment and we are excited about the opportunities this opens for our business.”

WBENC’s national standard of certification implemented by the Women’s Business Enterprise Council –West is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.

By including women-owned businesses among their suppliers, corporations and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier diversity programs.
